OUR ACADEMY

The ACADEMY OF DENTISTRY, TORONTO, has been functioning continuously since 1889. It has provided leadership and service to both the profession and the community, and will continue to do so in the future.

The OBJECTS of the Academy are:

1. Advancement of the art and science of dentistry.
2. To promote the highest ideals of dental practice.
3. Cultivation of harmony and good fellowship among its Fellows, and among the members of the dental profession generally.

Some of the specific services provided are as follows:—

1. The Annual WINTER CLINIC.
2. After hours EMERGENCY TREATMENT service for the public.
3. The Annual YEAR BOOK, a directory of dental organizations.
4. The LADIES' AUXILIARY, which provides support for worthy dental projects, and various fellowship activities.
5. PUBLIC RELATIONS, a secretary to answer the public's queries and complaints.
6. An ELECTED COUNCIL, representing all Metro Toronto dentists and their local component societies.
7. CO-ORDINATION of dental and fellowship functions within Metro Toronto.
8. DENTAL MEETINGS with excellent programs and clinicians.
9. Assistance in formation of new STUDY GROUPS.
10. HONOURARY MEMBERSHIP to recognize outstanding dentists.
11. ARCHIVES for historical dental information.
12. Fellowship activities such as the Annual DINNER DANCE, CURLING and GOLF.
13. MEDIATION services for the public.
14. COMMUNICATION with dental auxiliary organizations.
15. LIAISON with local government, and other community groups.

This is our Academy.

Keep it strong.

Support it, and ENJOY it!

DR. WILLIAM S. MacKENZIE

Dr. William MacKenzie was born, raised and educated in Toronto. He attended North Toronto Collegiate, and in 1943 he joined the Royal Canadian Air Force. Upon return from service overseas he entered the Faculty of Dentistry, University of Toronto, graduating in that famous class of 1951.

He has since been in private practice in Toronto.

He has been very active in dental and community affairs. He is Past President of Canadian Dental Service Plans, Inc., and has given many years of executive and committee service to the North Toronto Dental Society, the Royal College of Dental Surgeons of Ontario and the Ontario Dental Association, particularly its Convention Committee.

He is a Past Vice-President of the Family Service Association of Metropolitan Toronto and Bolton Camp, and a Past-President of the Eglinton Riding Progressive Conservative Association.

He is a member and elder of Timothy Eaton Memorial Church and is active both within the congregation, and has served several councils of the United Church in men's work, and marriage guidance.

He and his wife Ann have been married twenty-five years and have two daughters, Cynthia and Wendy, the former who was just recently married.

His main outside interest is railways and model railroading.

President's Message

The Academy of Dentistry continues to serve the profession and the community, and we urge all dentists to participate in our program. The history and the purposes of the Academy are found on the inside front cover of this Year Book.

These are not easy days for our chosen profession and we urge everyone to support this Academy and your local dental society, and the Ontario and Canadian Dental Associations. Dentistry can maintain its position of honour within the community only by joining together to achieve unity and strength of purpose. We must work together for dentistry and for the community.

The Winter Clinic continues to be our star attraction and activity. This year Dr. Robert McKegney has organized an outstanding program of interest to all practitioners, Thursday, November 28th at the Royal York Hotel.

Our First Stated Meeting will be an all-day clinic to be held Thursday, January 23rd, 1975 at the Inn-on-the-Park featuring Dr. Wm. F. Braasch of Minneapolis speaking on "The Role of Design in Minimizing Loads on Abutment Teeth in a Fixed or Removable Prosthesis" and "Splinting — Asset or Liability?".

Our Second Stated Meeting will be another famous all-day clinic — a Base Borden Day — Wednesday, March 12th, 1975 under the direction of the new Commandant of the Dental Service School, Colonel Leon Richardson.

The Annual Dinner Dance will be held Saturday, November 16th, 1974 at the Oakdale Golf and Country Club.

The Annual Curling Bonspiel will be held again at the Thornhill Country Club on March 5, 1975, and of course there will be the Annual Golf Tournament, the date to be announced.

We commend to all dentists the program of the Ladies' Auxiliary. Support their amalgam collection project — it provides special dental treatment for needy children; and their social program is lots of fun!

We urge your participation in the Academy program, and too we remind you to use your Year Book. It is your guide to dental professional and social activities in Toronto for the coming year.

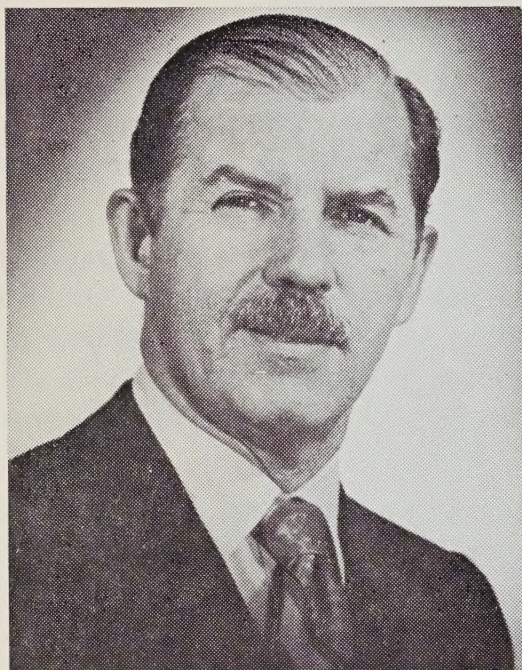

Your executive look forward to meeting you during the coming year.

Let us each keep Dentistry strong!

W. S. MacKENZIE, D.D.S.
President

HONORARY LIFE MEMBER

Murray Cornish

The Academy of Dentistry of Toronto is greatly honoured at its Annual Winter Clinic to present for Honourary Membership in the Academy one of Toronto's most respected practitioners, Dr. Murray Cornish.

Dr. Cornish was born in Toronto and attended Niagara Street Public School and Harbord Collegiate. He entered the Faculty of Dentistry, University of Toronto and graduated in 1939.

Following a short period of private practice in Toronto, he joined the Royal Canadian Dental Corps, serving at home and overseas in North West Europe before returning to Toronto to resume private practice in 1946.

Dr. Cornish, in addition to running a busy general practice in the city, has given a lifetime of service to his pro-

fession and community. There are indeed few people who have given such unselfish devotion to others as he. His contributions to his chosen profession of dentistry are many. To this Academy of Dentistry he has given years of service in various responsibilities as a Councillor culminating as its President in 1965-66. To the Ontario Dental Association he has given many years in particular to its Convention Committee, becoming Chairman in 1964, and Chairman of General Arrangements for the Centennial Convention (ODA/CDA) in 1967. Presently he is serving as the ongoing Chairman of the Committee for National Conventions of the Canadian Dental Association. Also presently he is Chairman of Local Arrangements for the 65th World Congress of the Fédération Dentaire Internationale (FDI) to be held here in Toronto in 1977.

In addition to his contributions to various dental convention activities, Dr. Cornish is President of the Toronto Alumni Chapter of Alpha Omega Fraternity having served many international committees and offices, including that of International President in 1971. He is a Fellow of the International College of Dentists, a Member of the Pierre Fauchard Academy, and a Member of the American Academy of Oral Medicine. He is Head of Oral Diagnosis, Department of Dentistry at New Mount Sinai Hospital in Toronto, and served as dental consultant to Medical Unit of the Alcohol and Drug Addiction Research Foundation of the Province of Ontario.

Dr. Cornish is a highly respected citizen of the community. He is a member of the Masonic Order, and of Shaarei Shomayim Synagogue.

He is a great family man, a devoted husband to his wife Freda and father of two daughters, Leslie and Mardi, both married.

His spare time has indeed been spare and scarce. His hobbies are fishing and gardening.

Dr. Cornish is a great fellow and an excellent practitioner, a most congenial personality with whom to work as a host of the confrères will testify. He has a healthy sense of humour and a wealth of experience, both of which he is ready to share with others.

To his many friends in dentistry, Dr. Cornish is "Mr. Convention" and one of the greatest.

**“ELECTROSURGERY IN
RESTORATIVE DENTISTRY”**

The course is designed for the General Practitioner who wishes to be exposed to the various techniques in the use of Electrosurgery. It will provide him with the necessary didactic background to be comfortable with the use of this modality in his practice. Procedures discussed will be: Elongation of the Clinician Crowns, Desensitization Dentin, Tissue Retraction, prior to impression taking, gingivectomy and other related restorative concepts.

BIBLIOGRAPHY

Dr. Joseph C. Morganelli graduated from the University of Illinois in 1966 with his D.D.S. degree. Then attended Loyola University and received a certificate of specialization in the field of Fixed Prosthodontics and a Master's degree in the area of Medical Education. He is currently a Professor in the Department of Fixed Prosthetics and Director of Post-Graduate and Continuing Education. He has given in excess of 50 seminars and clinics in the areas of Electrosurgery and Fixed Prosthodontics. He is a member of the American Dental Association, Illinois State Dental Association, Chicago Dental Society and the American Association of Dental Educators.

The Moderator will be

C. O. MUNROE, M.D., B.Ch.D., F.D.S.R.C.S. (ENG)

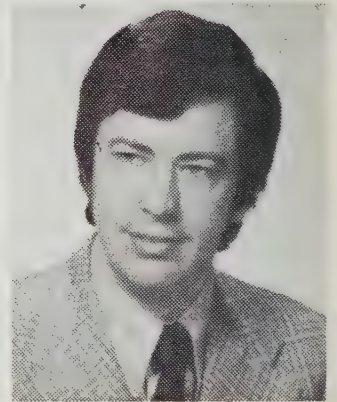

Dr. Munroe has recently been appointed Dentist-in-Chief of the dental department of Mount Sinai Hospital. He graduated from the Royal University of Malta in 1957 and has experienced a wide range of further study relating to Oral Surgery in Malta, Eastman Dental Hospital and Royal College of Surgeons in London. Further teaching in Malta, an M.D. degree and a study of Scandinavian dental schools led to his coming to Canada in 1971 to the Faculty of Dentistry as an Associate Professor of Oral Medicine.

PANELISTS:

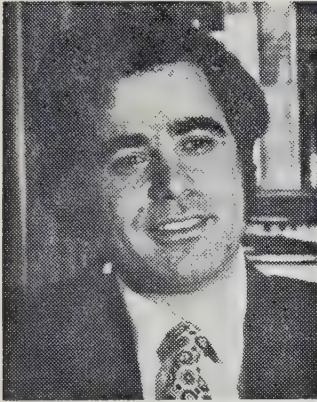

**Gerald Baker, D.D.S., M.S., F.R.C.D. (C)
Diplomate, American Bd. Oral Surg.**

Dr. Baker graduated from the University of Toronto, Faculty of Dentistry in 1964 and from the University of Illinois in Oral Surgery in 1968. He is a Diplomate of the American Board of Oral Surgery and a Fellow of the Royal College of Dentists of Canada (Oral Surgery). Dr. Baker is in private practice of Oral Surgery in Toronto and Bramalea and an associate in Dentistry on staff of the Department of Oral Pathology in the Faculty of Dentistry, Toronto. He is on the oral surgery staff at Mt. Sinai General, Northwestern General and Peel Memorial hospitals, (Chief of Dental Department).

S. P. Starkman, M.D., F.R.C.P. (C)

Dr. Starkman graduated from the Faculty of Medicine, University of Toronto in 1951. Extensive study in the field of Neurology led to his certification and fellowship in 1956. He is in private practice in Toronto and is a staff physician at New Mount Sinai Hospital and Assistant Professor at the Faculty of Medicine, University of Toronto.

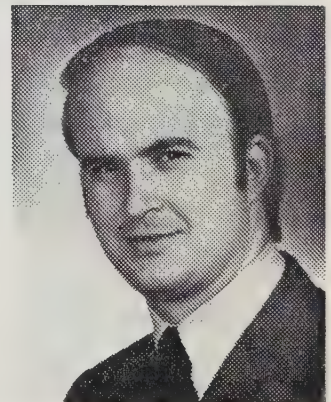

Alan N. Winnick, D.D.S., F.R.C.D.(C)

Dr. Winnick earned his D.D.S. at the University of Toronto in 1960 and received his diploma in Periodontics at the University of Pennsylvania Graduate School of Medicine in 1961. Following study at Boston University and Beth Israel Hospital in Boston, he commenced a private practice of Periodontics in Toronto. He is an Associate in Dentistry at University of Toronto, Faculty of Dentistry and associated with Mount Sinai and Scarborough General Hospitals.

**George A. Zarb, B.Ch.D. (Malta), M.Sc., D.D.S.,
M.S., F.R.C.D. (C)**

Dr. Zarb has had an impressive educational background in Malta, University of Michigan and Ohio State University. This, however, is no more impressive than his reputation as an experienced practitioner and valued lecturer in the field of prosthodontics. Presently he is an assistant editor for the Journal of Prosthetic Dentistry, Head of Restorative Dentistry at the Toronto General Hospital, Head of Prosthetic Section at the Hospital for Sick Children and Chairman, Department of Prosthodontics at the Faculty of Dentistry, University of Toronto.

WINTER CLINIC

Featuring

Panel of Specialists

“TEMPORO-MANDIBULAR JOINT PROBLEMS”

A seminar to be presented by five distinguished men representing the disciplines of Prosthodontics, Periodontics, Oral Surgery, Neurology and Physiology.

The same presentation will be given twice during the day at 9:15 and 2:15 (note early start).

Dr. C. O. Munroe will act as moderator and invite each participant to make short opening remarks to include the following points as they apply to each discipline:

Is temporo-mandibular joint pain-dysfunction syndrome a disease entity?

What is the cause of the condition?

How much do psychologic factors play a part?

Are occlusal abnormalities the main cause?

Is occlusal equilibration a waste of time for these patients?

What drugs should and should not be used in the condition?

What similar conditions may mimic temporo-mandibular joint pain-dysfunction syndrome?

How may these patients be treated effectively?

The moderator will then encourage discussion amongst the panelists so that they may enlarge upon the subject following which a definite period of time will be given to discuss questions from the audience.

ACADEMY OF DENTISTRY

SECRETARY'S REPORT 1973-74

During the past year all phases of the Academy's activities operated in high gear and with conspicuous success. As President, Bernie Crystal supervised what is becoming an ever more complicated operation with his characteristic efficiency and easy diplomatic touch.

The social program, under Don McKee, was initiated with the Dinner Dance at the Granite Club on November 23rd. It was the best attended in many years and was in every way a memorable and enjoyable evening.

It was followed closely by the Winter Clinic. The efforts of Bill MacKenzie and his committee were rewarded with a near-record turnout. The main speaker, Dr. John Flocken, drew overflow crowds and followed up with two days of participation clinics on Electrosurgery. During the Winter Clinic dinner Dr. Jack Kreutzer was presented with an Honorary Life Membership in the Academy.

The remaining Stated Meeting was held on January 10th, when a group from the University of Buffalo presented a full day session on Operative Dentistry.

The Sports Program under Grant Joyner consisted of the Annual Golf Tournament at Rolling Hills on June 13th, and the Curling Bonspiel at Thornhill on March 6th. Both events were enjoyed by all participants and managed to sustain themselves financially.

The Emergency and Mediations Services occupy the time of our office staff almost to the exclusion of everything else. These are vitally important public relations functions of the Academy and our deep appreciation goes to all those who have contributed their time and efforts; especially to Mrs. Pat Williams, our Executive Secretary, who puts in many an uncounted hour of overtime to help maintain our professional reputation in the city.

Our thanks also to Howard Ferguson who has sacrificed much of his leisure time over the last few years to mediate the increasing number of disputes between dentist and patient that are arising each year.

Rounding out our activities is the Office Coverage Plan, administered by Berril Garshowitz; the United Way Campaign — Irwin Rose, and the Referee Board on Dental Care which administers the funds raised by the Ladies' Auxiliary to the Academy for dental care for underprivileged children.

R. S. McKEGNEY
Secretary

EMERGENCY SERVICE

Again this year the Academy of Dentistry has sponsored the Emergency Service for all of Metro Toronto.

The service is provided after normal working hours, on week-ends and holidays.

I would like to take this opportunity to thank those members of the Academy who volunteered their services, especially those who have consistently helped out in emergencies.

A very special word of thanks for Mrs. Pat Williams who has worked so hard to co-ordinate this service. Her organization and diligence has made my responsibility a lot easier.

Respectfully submitted,

R. A. WORLING

REFEREE BOARD ON DENTAL CARE

The Ladies' Auxiliary of the Toronto Academy of Dentistry, through their fund raising projects, provide the capital required to help needy recipients with dental treatment.

This year under the watchful eye of Dr. J. Kreutzer and Mr. R. Adey, treatment was provided at the University of Toronto dental clinic. Twenty-three patients were treated at a total cost of \$2,337.00, or an average of \$101.60 per patient.

Every Academy member is urged to lend their support to the Ladies' Auxiliary — donate your scrap amalgam, attend their social evenings and theatre parties. You will not only have a good time, but you will also be helping a worthy cause.

MEDIATIONS COMMITTEE

Still a number of cases for the Mediations Committee to ponder goes ever higher and at all levels it is difficult to obtain men who are willing to serve in this field. There are few more important ways in which you can contribute to your profession and in saying "Yes" when asked to help in Mediations.

Chairman,
Mediations Committee

UNITED WAY REPORT

The dentists of Metro Toronto, through Chairman Dr. R. S. McKegney and Vice-Chairmen Drs. N. L. Sterling, P. Markle, P. Brymer and J. Anthony, have taken on the task of raising \$40,000 to help the 75 United Way agencies continue their good work to make our city a better way in which to live.

Last year the dentists and their assistants donated \$32,200. The goal this year is increased by \$7,800 or 24.1%. The overall campaign goal is \$15,300,000 — an increase of \$1,450,000 over last year's gifts.

This is opportunity to invest in our "people helping people" program. We will suffer if we fall short of our goal. Please support this campaign.
